### PROJECTS

---

#### News Blog Website

Technologies: PHP, Laravel, MySQL, HTML, CSS, Bootstrap, JavaScript, jQuery, AJAX | [View Project](#)

- Developed a dynamic news blog website with frontend pages for users to read and explore articles.
- Built backend modules to add, update, and delete categories, posts, and users using CRUD workflows.
- Integrated MySQL database for storing, organizing, and managing website content.
- Implemented CRUD-based admin functionality for practical content management workflows.

#### CRUD Operations Web Application

Technologies: HTML, CSS, Bootstrap, JavaScript | [View Project](#)

- Developed a web application demonstrating create, read, update, and delete operations.
- Built a simple interface for managing data through frontend interactions.
- Strengthened understanding of core web development structure and CRUD workflow.

### WORK EXPERIENCE

---

#### IT Assistant - Department of Social Welfare, GNCTD

June 2018 - Present

- Support day-to-day IT operations, digital records, documentation, and data workflows while coordinating accurate, reliable, and repeatable office processes.

#### PHP Developer Intern - Phoeniix Design (P) Ltd.

October 2013 - December 2013

- Worked on PHP-based web development tasks during internship.
- Gained practical exposure to HTML, CSS, JavaScript, PHP, and MySQL-based development.
- Assisted in developing and maintaining web pages and backend functionality.

### EDUCATION

---

B.Tech in Information Technology - Delhi College of Technology & Management, Palwal, MDU | 2014

XII, CBSE - Nutan Vidya Mandir Sr. Sec. School, Delhi | 2008

X, CBSE - Nutan Vidya Mandir Sr. Sec. School, Delhi | 2006
